

Capability Statement

WWW.ISHPI.NET

ISHPI Information Technologies, Inc. (DBA *ISHPI*) stands as a beacon of excellence among Government service providers. With a distinguished record of being a seven-time consecutive **Inc. 500|5000** honoree and a four-time **Washington Technology Fast 50** awardee, *ISHPI* has carved out a prestigious niche as an American Indian and Service-Disabled, Veteran-Owned Small Business (SDVOSB). Over our extensive history, *ISHPI* has demonstrated unparalleled prowess in recruiting and retaining qualified, cleared, and experienced IT professionals. At the heart of *ISHPI*'s operations lies a steadfast commitment to providing full-spectrum, integrated, and end-to-end operational support. This mission is driven by core values of integrity, excellence, and dedication to service. *ISHPI* strives to exceed the expectations of its clients by delivering top-tier solutions that are both innovative and reliable, imbued with a sense of duty and commitment to the nation. *ISHPI* proudly serves a diverse clientele, primarily focusing on various branches of the United States military and other federal agencies.
